Grandparents assemblies

Please thank Grandparents for the lovely feedback following last week's assemblies to celebrate National Grandparents Day. More adults arrived than we were expecting so please accept my apologies for the second assembly being very busy. Next year we will need to hold 3 assemblies instead of 2! The raffle was a huge success and raised £600 which was double last years total. We are going to restock the fiction section of the school library which will mean the children will soon be bringing home new books to share with Grandparents too!

Harvest Assembly

On Monday 17th October we are having a Harvest assembly in school (for the children only). We will all come together to sing harvest songs, talk about ways we help each other and why we are supporting the Besom Church food bank this year. This charity supports families who are in need of support with food, toiletries and household supplies. If you would like to support this charity please send in any items during next week. A list of what is being collected is included later in this email. Thank you for your support.

Reading help needed

We are in desperate need of a group of parents to come into school regularly to help to hear children read. Please let the office know if you are able to come in, even if just for half an hour before pick up time...every little helps!

Teacher emails

Despite only being with your children for 6 hours a day, teachers work much longer hours, often into evenings and throughout the weekends. We are in the process of setting up year group email addresses for you to contact staff. In the interim, if you wish to contact the teachers via email these must all be sent to the school office to forward on to individual staff and not via their named email addresses. Please title these 'FOR THE ATTENTION OF...' This will help me to support the teacher's well-being and allow them to switch off and enjoy important family time.

SHIP AHOY!

We are very excited that our bespoke pirate ship is currently being built and is due to 'sail in' during the last few weeks of November. This is as a result of lots of fundraising hard work...thank you to the Friends PTA! We are planning a whole school pirate day to officially open the pirate ship climbing structure, with all children invited to dress up as pirate crew. The exact date will be confirmed soon once we have a final installation date.

Wishing you all a relaxing weekend.

PLEASE REMEMBER

SCHOOL TIMINGS FOR REC / Y1/ Y2
