## Message from Mrs Money

I hope that you all had a wonderful half term despite the variety of weather! This is the busiest half term of the academic year so please keep a note of important dates and monitor emails closely for any updates.

### Feeling Good Week

This week we have been focussing on everything which makes us feel good. Promoting and managing positive mental health for all of us has become increasingly important over the last few years. Thank you to Mrs Robinson for organising an incredible week of mindfulness and fun which culminated in our Sandringham Spa today. The children have enjoyed a visiting dance workshop, relaxed with foot spas and cucumber eye masks, mindfulness colouring, glitter tattoos and exercise classes run by Mrs Roberts. The whole school was a hub of fun and relaxation with laughing, happy children...they especially loved the visit from the ice cream van too. Thank you all for your school fund contribution as this event was only possible due to this. What a wonderful way to end the first week back.

### Carnival float

The costumes for the float are already well underway - please let us know if you are available to help at the make and create evenings on the next 2 Wednesday evenings. Thank you to Kirsty Hennessey for co-ordinating, all of the parents who joined us this week and to Emma Brassfield for her creative inspiration. If you would like your child to join the float the last date for completing the form is Friday 17<sup>th</sup> June. This allows us time to make the costumes required. We will require some parents to be part of the float in costume and all other parents to walk behind the float in case your child needs you for any reason.

### SANDFEST

Tickets are now available for our Sandfest. The family ticket includes many free stalls for your children to enjoy and entertainment throughout the afternoon from iRock, the school choir, Tom and Stan from TopSports and Liberty gym club. There will be BBQ food available to pre order, a hot drinks truck, an ice cream van and a beer and Pimms stall. You are also welcome to bring your own picnics and soft drinks. Thank you to Hamiltons Property Services for sponsoring the event and providing prizes for the day.

### Choir

We have been overwhelmed by the number of children who would like to join in with the school choir event at the local church and the Sandfest event. We have put the names of the children who would like to join in a box and picked out a group of children at random. Letters will be coming home today for those children regarding timings for the church performance. Please reassure your children that everyone is part of the larger Sandringham school choir and that they have a very important part to play in our singing assemblies every week.

### Parking

Unfortunately, I am needing to end this newsletter with a very serious reminder. There have been comments on Facebook regarding the parking of some parents at pickup and drop off. Double parking, parking on zig zags and parking only half into the lay by is not only illegal but is dangerous. There was an incident in the last week of term that was very close to a child being hit by a passing car. In my headship career I have experienced the death of a child within my school community. This is not an experience that I would like to repeat so I am asking every one of you to think very carefully when driving and parking near the school.

Wishing you all a wonderful weekend in the sunshine.

### PLEASE REMEMBER
