

Little Badgers

Summer Term.

As we are rapidly approaching half term it looks as though some summer weather might at last be coming! We will be doing a lot of outside learning during this term and will be using our natural environment and everything that it offers. Our first topic will be 'Growth' so we will be planting seeds and learning about how to grow and look after plants, vegetables etc, what they need to grow well and the children will be responsible for watering and nurturing them! We will be doing a lot of learning about growth covering all the areas of learning and then later in the term our topic will be minibeasts. We will be finding minibeasts in the garden and identifying them, looking at their features, finding out about lifecycles, having a mini beast den and lots of other exciting activities!

Queen Elizabeth's Platinum Jubilee

Next week we will be celebrating the Queen's platinum Jubilee. We will be doing lots of activities to find out about The Queen, the royal family, the horses and carriages etc. We will be making bunting and doing other craft activities, some role play and of course having a street party in our nursery garden! This will be on Tuesday for Ladybirds (Mon, Tues, Wed am) and Thursday for Butterflies (Wed pm, Thurs, Fri)

Sun cream

During the hot weather please could you apply sun cream to your child before they come to nursery in the morning. Due to some severe allergies that we have in nursery which are not only ingested but also touch allergies, we would be very grateful if you could use sun cream that does not contain almond oil, often listed as almond oil or the Latin 'Prunus Amygdalus Dulcis'. As we will not be able to apply sun cream after lunch we would be very grateful if you could apply the 8 hour sun cream to your child if possible. Thank you. If you would like to discuss this with me please ask at the gate and we can make a time. We are lucky that we have lots of mature trees that provide a good amount of shade. Please ensure that the children have a sun hat for the hot, sunny days. Thank you,

Photographer

The school photographer will be coming in to take individual photographs of the nursery children on Thursday 9th June in the morning. If your child is in Ladybirds (M,T,W am) and you would like to bring them in to have their photo taken, this week you will be sent an online form to complete. Thank you.

Upcoming Dates

w/c 23rd May - Queen Elizabeth II Platinum Jubilee activities and celebrations
