## Message from Mrs Money

Over the last 2 weeks we have been delighted to be able to go ahead with the year group trips to Bocketts Farm, Brooklands and Milestones museums. For many of the children it was the first time that they had been on a school trip and they were so excited to be out of school on an adventure, especially going on the coach! They all looked so smart, behaved impeccably and the weather was great. Thank you to the staff for organising the trips, to parents who joined us on the day and the children...they made us feel very proud of them.

The weather is very changeable at the moment so please remember to send a lightweight coat on wet days and apply suncream in the morning on sunny days.

Thank you very much to all of you who have returned your fundraising Smartie tubes. Mrs Green has been busy counting the coins this week and you have raised an incredible £817.11. Thank you for your support!

Thank you to the FRIENDS committee for organising the Father's Day gifts. I hope that Dads, Grandads and other important men in your children's lives had lovely weekends. If you haven't seen it already please have a look at the children's messages and singing on their tapestry accounts too.

I will continue to keep you updated on any in school events over the next few weeks. I really do appreciate how disappointing it is for parents that you are not able to be in school for assemblies and sports day. I am continuing to navigate my way through the endless guidance documents and updates and am trying my very best to continue with as much as we can in school. Sports day will certainly not be the same without all of you, however we will ensure that the children still have a fantastic day of fun. There have been several bubble closures in schools locally so we must continue to stay vigilant and maintain our high standards of cleaning and handwashing.

Events such as 'moving up day' involving children moving from school to school have been cancelled this term across Surrey. However, I know that the children (and you) are keen to find out which class they are joining in September. Next Wednesday the children in Reception and Year 1 will meet their new teachers on the field for a story and you will receive a letter on this day outlining the staffing structure for September.

Wishing you all a relaxing weekend.

### PLEASE REMEMBER

#### SUMMER WEATHER

Please ensure children have named hats and water bottles (filled with water only) in school at all times. Please apply sun cream before coming to school.

#### DOGS

Dogs are not permitted on site at any time. Please avoid standing near the front gate as some children are wary of dogs.

#### DROP OFF/PICK UP

Please arrive at the correct time at the beginning and the end of the school day. Arriving before or after your allotted time causes congestion with other year groups. Thank you

#### **INSET DAY**

Wed 21st July

#### **END OF TERM**

Tuesday 20<sup>th</sup> July 1.30pm
