Message from Mrs Money

It has been a busy half term and the children have continued to amaze us with their independence and positive approach to learning whilst having lots of fun! Hopefully the sun will continue to shine through the half term holidays and you can enjoy some time with your families.

iRock

Well done to the iRock children for their performance to parents this week. It was wonderful to see how they worked together as a band, focussed on their own instruments and clearly enjoyed their live 'gig' to an audience!

Jubilee Celebrations

The whole school has been a wash of red, white and blue this week. The children have learnt all about the Queen and worked in mixed year groups throughout the week to make crowns, medals, flags, designed coats for a corgi and jewellery fit for royalty! On Thursday the children all sat together outside for a jubilee lunch...thank you to the kitchen staff for working so hard to make this event a huge success. Thank you to Sophie Brealey's Nanny for donating the bunting which has decorated the whole school. Despite being very busy the children enjoyed 2 visits from 'the Queen' this week and enthusiastically sang their jubilee song to her. Because she is getting old the Queen had forgotten the name of her corgi so she asked the children to join in a 'right royal raffle' by entering suggested names for her beloved dog! Congratulations to Tommy in Hedgehogs whose name Spotty was drawn from the royal envelope.

Tapestry

Please take some time this half term to look at your child's tapestry accounts. Many of you haven't accessed them recently and they have some really lovely photos of your children learning and having fun.

Float

Please click on the below link to let us know if your child would like to join in with the Sandringham carnival float. This is essential for us to create the correct number of costumes. We are also holding 2 creative evenings in school on the 8th and 22nd June from 7-10pm so please come along to help.

SandFest

The plans for SandFest are well underway and tickets for the event will be available in the first week back after half term. Please look out for the poster and details of how to buy your family ticket. We will also be asking for parents to support by signing up for a short time to help on some of the stalls.

I look forward to welcoming you back on Monday 6th June for the start of another exciting half term.
