Message from Miss Randles

Welcome back to the Summer term. I hope that you all had a wonderful break with your families and it was nice to see the sunny weather make an appearance too! It is lovely to see the children coming back to school in their summer uniform and PE kits looking very smart. Please refer to the picture page of this newsletter for a reminder of our summer uniform which can be purchased from Brenda's school wear. We also have our own second hand uniform so do let us know if you are interested in any specific items. Summer dresses should be dark green with gingham print and white socks. All hair accessories should be in school colours only. Our navy Nursery uniform remains non compulsory, but there are polo tops and Summer caps for our Little Badgers should you wish to purchase them.

This week I had the pleasure of gathering all the siblings from across school and nursery (44 sets!) to share an afternoon together as part of recognising National Siblings Day and for the majority of the children to finally be able to 'meet up' in school. Our siblings always love passing each other down the corridor, waving over the gates or catching a glimpse in assemblies, but rarely come together during school hours to play and learn together. This week, we had that special day... and it was so precious seeing the children greet each other with smiles and hugs as if they hadn't seen each other for weeks!

In a few weeks' time, our new King will be crowned. Here at Sandringham we are going to acknowledge this very exciting occasion by inviting the children to come into school and nursery on Friday 5th May dressed in red, white and blue. This could include coronation accessories or dressing up as a King or Queen if your child would prefer. The children will be learning about the Royal Family in the week leading up to the coronation, recapping this from last year's jubilee celebrations for our older children. We will then enjoy a street party lunch, provided by our wonderful kitchen team, with the whole school coming together outside.

This week I have been asked to remind parents/carers that if they take their children out of school without authority they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60 per parent/carers per child if paid within 21 days. Thereafter the amount increases to £120 if paid within 21-28 days. If this remains unpaid after 28 days, the Local Authority may consider a prosecution in the Magistrates Court. Since penalty notices are issued per parent/carers per child, a family of two parents and two children will receive 4 penalty notices. Please note that this is not a source of income from the school and is dealt with directly from Surrey county council.

Please take note of the **red** additions to our school diary dates at the end of today's newsletter. Further events and special days have been confirmed. Thank you.

I wish you all a lovely weekend... and hoping the sunshine makes an appearance!

SUMMER UNIFORM

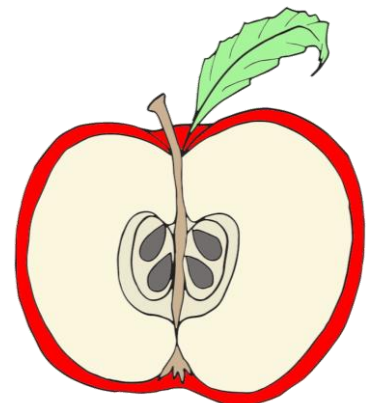

HONESTY

This half term our core value is **Honesty**.

In assembly we have explored the children's understanding of the words associated with honesty; fibs, lies, telling tales or stories etc. We spoke about the different situations we can act or speak the truth and why this is important.

We have used the stories of Tiddler (Julia Donaldson) and The Boy Who Cried Wolf (Aesop's Fable) to explore this further.

Please support us at home by reminding your child about this important word.

SEN COFFEE MORNING

It was lovely to see so many families at our last SEN coffee morning.

Our next coffee morning will be on **Wednesday 10th May from 9-10am**. We will be having a special guest speaker who will be sharing advice about how airport staff can support customers and children with additional needs when they travel through the airport.

All parents/carers are most welcome to join us.
