Dear Reception Families,

As you will know from your Welcome Newsletter, the Reception teachers are currently completing 1:1 assessments with your child as part of the Government baseline assessment. This process is compulsory for all schools this September and will provide a useful tracking of what children know and can do as they enter Reception.

The guidance attached should provide more information for you about what this assessment looks like in school and how this is a normal process usually undertaken by the Reception team in the early days of starting school. If you have any further questions regarding the Reception baseline, please do not hesitate to contact me directly at [Sarah.Randles@sandringham.kite.academy](mailto:Sarah.Randles@sandringham.kite.academy) or leave a message with the office to reach me.

Kind Regards

**Miss Randles**
