Dear families

King Charles III Commemorative Medal

Tower Mint have released an official commemorative medal marking the accession of our new monarch, His Majesty King Charles III. To commemorate this momentous and historic occasion, a remarkable event not seen for over 70 years, they have produced a medal exclusively for schools at a special price of £3.60.

The 32mm commemorative medal features a brand-new portrait of His Majesty and is presented in a bespoke regal blue and gold embossed card surround within a protective Perspex case.

If you would be interested in buying the commemorative medal, please log into your school cash office account where the medal will be available to purchase under 'optional trips and events' until 9am on Friday 13th January 2023. After this date, the offer for schools to purchase at this special price will no longer be available. Delivery to school will be in April 2023 ahead of official Coronation celebrations.

If you would like to purchase more than 1 medal please just calculate the price of how many you would like and make that payment instead of £3.60. We will then know how many you would like to order.

If you are unable to access your school cash office account, please contact the office.

Yours sincerely
