Dear Parents,

Please can I remind you that earrings and jewellery are not part of the uniform at Sandringham School.

If you are planning on getting your child's ears pierced, please can you wait until the Summer holidays so that they have 6 full weeks to heal before the start of term. This also ensures your child has time to learn how to take their earrings out and put them in on their own prior to starting back at school.

Due to health and safety recommendations, any child who continues to wear earrings at school must have them taped on PE days prior to coming to school. This cannot be done by staff and must be done by parents only.

Parents who wish their children to continue to wear earrings in school; either whilst they heal or for other reasons, will be required to sign the disclaimer below.

Kind Regards

Mrs K. Money

.....

WRITTEN CONSENT FOR WEARING EARRINGS IN SCHOOL

Name of Child _____ Class _____

I am aware of the safety hazards associated with the wearing of jewellery within school and understand that it is the policy of Sandringham Infant and Nursery School to remove earrings for PE sessions or for me to cover them with tape prior to coming to school on PE days.

I wish for my child to keep their earrings in whilst at school. I understand that this is my decision and against advice given from the school, I realise that any accident or injury puts no liability on the school.

Signed _____ Relationship to Child _____ Date _____
