

Little Badgers

28th June 2021

Dear Parents,

We had planned to hold our Family Day on Monday 19th July this year, which would have consisted of all of our Little Badgers and their families coming together for a morning of sports activities, a picnic all together and then some singing and reflections on the year during the afternoon. Unfortunately, due to the Government guidelines and extended restrictions, we are unable to go ahead with our Family Day as planned. We would still like to mark and celebrate the end of some children's nursery journey and so we have altered the way that we will do this. We will now hold two separate events, one for each end of the week, which we will need to scale down.

We will hold the sports activities and picnic one day during the last full week, during our nursery session, but unfortunately without parents. The children will be able to do the activities and have running races just as we would have done on Family Day.

We would like to invite one parent from each family of **those children leaving Little Badgers this year**, to come onto the field next to nursery one afternoon (dates below), so that we can have a small celebration and 'goodbye'. We will need to socially distance and any younger children who come will need to remain in pushchairs please to limit moving around.

Although all of the children from the session will be there, we are unable to invite the parents of the younger children who will be with us next year, due to the restriction on numbers. We are very sorry but I can assure you that you will have your turn next year!

The dates are given below, if you have any questions about these arrangements please speak to me at the gate, email (Caroline.Wells@sandringham.kite.academy) or phone me.

We are so disappointed that we can not hold our Family Day all together but the safety of everyone is the most important thing and we will still make it special for the children,

Thank you for your understanding,

Caroline Wells
