Knowledge

As Scientists (UTW):
 We will look at ourselves as babies and how we have grown.
 We will talk about the seasons and understand more about autumn.
 We will learn about the five senses.

As a Communicator (CLD+LD):
 We will engage through baseline activities.
 We will focus on rhyming words, story maps and listening games.

As a Mathematician (M):
 We will engage through baseline activities.
 We will count, sort, recognise number and 2D shapes.
 We will learn how to subitise numbers 1-5.

As Artists and Musicians (EMM):
 We will learn how to draw our self portraits.
 We will develop our listening skills through a variety of music.

As a Growing Person (PSED+PD):
 We will talk about our core value: Friendship.
 We will be talk about being me in my world (Jigsaw).
 We will learn about similarities and differences between us all.
 We will explore the use of space and of our bodies
 We will learn how to understand our different emotions.

As an Explorer (UTW):
 We will comment on photos of our past.
 We will compare ourselves now and then.

What will I know by the end of this unit...

How we have changed from baby – toddler – child
 Talk about our similarities and differences.
 Understand that we are all unique.
