

MESSAGE FROM MRS MONEY

Monday 11th May 2020

Dear Families,

I hope that you all managed to enjoy the Bank Holiday weekend and made the most of the glorious weather. Please encourage your children to write and send their letters as part of my 'children's challenge'. This gives them a purpose to write but also really makes me smile! Thank you in advance 😊

I am sure that you have all heard the Prime Minister's suggested next steps on moving the country forward from 'lockdown'. One of these suggestions is that children from Reception, Year 1 and Year 6 may be the first to return to school in some way from early June. As yet, schools have no more information than you do about this plan and we are awaiting further guidance from the Department for Education. I would very much like school to be 'alive' again but can only do so when we are sure that this is safe for the staff and children.

To ensure that children feel connected to their school we now have our own story library. Click or copy and paste the link below to access a range of stories read by staff. These will be updated regularly and means that your child can hear stories from staff throughout the school and not just their own year group. There is also a selection of piano playing pieces by Mrs Jones - [Homelearning.sandringham.kite.academy](https://www.homelearning.sandringham.kite.academy)

Being apart from their classes has been as hard for the staff as it has been for the children. It is so important that the children continue to feel connected with us and school. With this in mind we have created a short video for the children with messages from the staff. We hope that they enjoy seeing and hearing from us all.

MESSAGE FROM MRS MONEY

A message from the Sandringham family <https://youtu.be/OPkIS3VVj14>

Thank you to Mrs Jones for accompanying on the piano and to her daughter Ellie for bringing all of the clips and photos together.

Finally, a huge well done to Hedgehogs Class for being this weeks winners of the Mathletics challenge. Together they achieved 19, 891 points. Congratulations also to the schools top scorers - Tristen Williams (Hedgehogs), Harrison Hall (Hedgehogs), Logan Roberts (Moles) and Zach McGraw (Otters).

Keep safe, keep smiling and hope to see you soon.

Mrs Money 😊
