

# The Way Back Home

THE MIDDLE OF THE STORY

The boy sees something in the shed. He builds himself a rocket

He sends himself into space

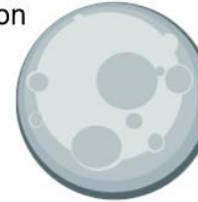

The boy parachutes to earth to get some tools to fix the rocket

His rocket breaks down. He meets a friendly alien who breaks down too.

He lands on the moon

He gets back using a huge ladder

The boy fixes the rocket.

They both fly off

Today you're going to focus on the middle three pictures of your story journey:

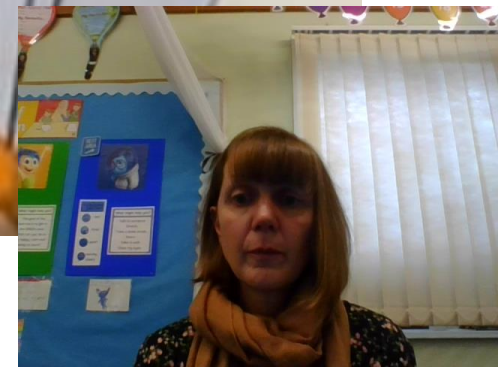

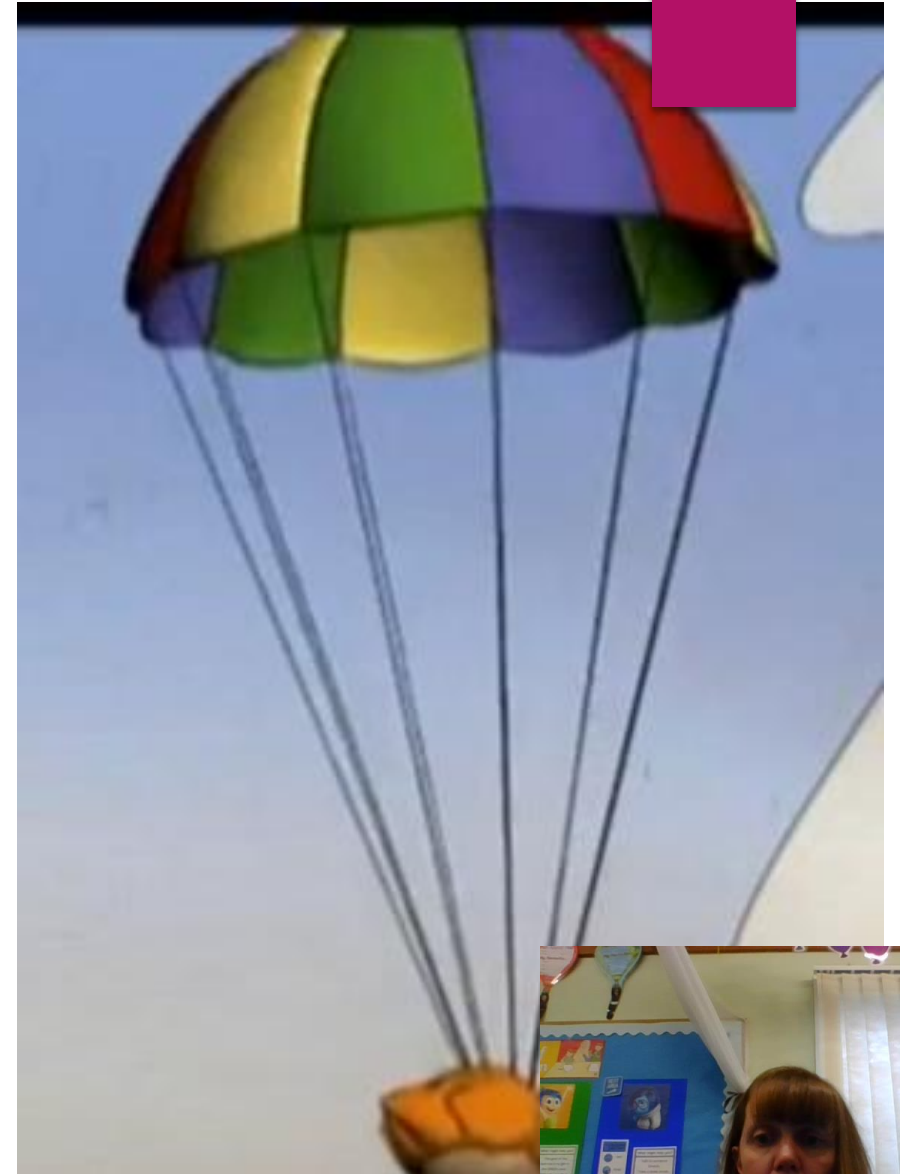

- Where he lands on the moon
- He meets a friendly alien who needs help
- He parachutes back down to earth

Remember to use the expanded noun phrases from your previous learning - you might want to describe the stars or the alien.

▶ Re read the beginning of your story from yesterday before you start.

▶ Remember to stop when he is parachuting back to earth!

Remember to re read your work 😊
