

Little Badgers

Spring Term Welcome!

The nursery team would like to join me in wishing you a Happy New Year for 2022. We hope you all had a lovely Christmas (which seems like such a long time ago now!) and we would like to thank you very much for the lovely cards and gifts you gave to us. We are very touched by your thoughtfulness, thank you. The children have all settled back in very quickly and happily and they all seem so much older, more able and more independent which is lovely to see. I would like to give a very warm welcome to our new children and families who have started Little Badgers this term. We are very pleased to have such lovely children join us and are looking forward to sharing the next part of their journey with them and their families. Our focus for those children this half term will be settling the children, supporting them to learn nursery routines and getting to know them whilst developing strong relationships with them and helping them to build relationships with each other. Thank you for your support and patience with settling the new children, it can be difficult leaving your little one if they are upset but please be assured that they do stop and settle very quickly.

Our Learning this term.

This half term we will be finding out and talking about winter. Luckily we are having some cold, clear days with lots of frost at the moment! We will be making some bird feeders, doing some bird spotting, freezing water, melting ice, using winter colour paints and collage to produce some artwork, finding out about reflective, shiny surfaces, objects etc and lots of other lovely activities!

As the weather has suddenly become colder please ensure that the children wear lots of layers and always have a coat with them, even if the weather seems to be quite mild in the mornings. If you could put a named hat and gloves into their bags we can get them out if needed. Thank you.

We would like to thank you all for your support.

Upcoming Dates

Monday 14th - Friday 18th February

Half Term break

Monday 21st February
INSET Day (Nursery closed)

Tuesday 22nd

February -children return to nursery

Tuesday 1st March

Ladybirds

Friday 18th March -
Let's Get Physical Day-
Butterflies

Friday 25th March
Mother's Day Assembly

Friday 1st April -
Term Ends- 1.30pm

A few reminders

Please ensure that packed lunches have no sweets, nuts or fizzy drinks in them as we currently have quite a few children with a range of allergies.

Thank you.
