

Little Badgers

Autumn Term Welcome!

I would like to start by welcoming our new children and families to Little Badgers Nursery. We are very pleased to have such lovely children join us and are looking forward to sharing the next part of their journey with them and their families. We also welcome back some children and families who were with us last year, it is lovely to have the children back together again and to see how much they have grown and flourished during the summer and to watch them rekindling their friendships.

Our focus this half term will be settling the children, supporting them to learn nursery routines and getting to know them whilst developing strong relationships with them and helping them to build relationships with each other.

Thank you for your support and patience with settling the new children, it can be difficult leaving your little one if they are upset but please be assured that they do stop and settle very quickly. If there is ever anything that you would like to ask or discuss please either catch me at the gate at drop off or pick up, phone me - I will return your call if I am unavailable when you phone or email me Caroline.Wells@Sandringham.Kite.Academy

Our Learning this term.

This half term we will be finding out and talking about 'Ourselves and our Families' and 'Autumn'. After half term we will be finding out about harvest, Diwali, bonfire night and fireworks, light and dark, and then of course Christmas!

Please.....

....ensure that your child has a pair of named wellies that stay at nursery and that they always have a coat with them even if the weather is fine. It would be very helpful if the children could wear shoes with velco fastenings to nursery as we teach them how to take off and put on their shoes independently. Thank you.

Although some children have been bringing drinks bottles this week we would be grateful if they do not bring them to nursery to avoid children drinking out of a bottle that is not their own. We provide drinks continuously throughout the day and staff ensure that all the children are kept hydrated. Thank you.

Next week there will be a letter to let you know about Tapestry, book bags and upcoming events with dates. We are really looking forward to having a super year with you and your children and would like to thank you all for your support from Caroline Wells and the nursery team - Mrs Johnson, Mrs Diffey and Mrs Burgess.
