Nurture Enrich Inspire

Friday 11th June 2021

## Message from Mrs Money

I hope that you all had a wonderful half term holiday and made the most of the incredible weather. With the sun set to continue for a while please can you ensure that your children have a sunhat, water bottle (filled with water only) and have suncream applied before coming to school.

The change in weather from the prolonged rain to the humid hot days we have currently experienced have unfortunately resulted in an increase of ticks in parks, gardens and school fields. Please keep an eye out for ticks when your children are in the bath/shower particularly after visiting the park. On adults these tend to be on legs however children are prone to them above the waist, in hairlines and scalp. Twisting them off the body is the best removal method (I would recommend searching on the internet for a 'how to' video if you are unsure).

We have had a fabulous first week back in school. Thank you to Mrs Robinson for co-ordinating our 'feeling good week' which has been full of incredible activities to encourage the children and adults to recognise and take part in things which make us feel good and promote good emotional health and well being. Alongside their normal learning the children have enjoyed a circus skills workshop, singing, a class disco, an outside concert by iRock, rock painting and yoga. Today the children have all enjoyed a skipping workshop and will be bringing home their very own skipping ropes to practise at home. And just when we thought the week couldn't get any better the ice cream visited us this afternoon!

I am waiting for further guidance next week following the last step of the Covid road map. The final lifting of restrictions are looking more unlikely and this will unfortunately dictate what we are allowed to do in school with regards to parents joining events. The sports day will still go ahead on Monday 28<sup>th</sup> June but will be split into sessions so that year group bubbles can take part at different times. If guidance allows, parents may be invited to join their child's session but I am sorry to say that this is looking unlikely.

You may be aware that there have been several accidents recently outside schools involving children. Please can I urge you to consider leaving your cars at the park and walking a little way to school. Cars must not be parked on zig zags, double yellow lines without a blue badge, double parked or on corners of roads. The children's safety is paramount and all of our responsibilities so please be careful and be very mindful of our little ones at all times.

### PLEASE REMEMBER

#### SUMMER WEATHER

Please ensure children have named hats and water bottles (filled with water only) in school at all times. Please apply sun cream before coming to school.

#### DOGS

Dogs are not permitted on site at any time. Please avoid standing near the front gate as some children are wary of dogs.

#### SMARTIES TUBES

Please return your smarties tubes by 18<sup>th</sup> June to your child's class teacher. Thank you.

#### FATHER'S DAY

##### GIFTS

Please order your Fathers Day gifts by Monday 14<sup>th</sup> June via the PTA website or the school office.

#### INSET DAY

Wed 21st July

#### END OF TERM

Tuesday 20<sup>th</sup> July 1.30pm
