Friday 12th March 2021

Message from Mrs Money

What an incredible week! It was so wonderful welcoming all of the children back to school on Monday. Seeing the children smiling, laughing and playing together on the playground was really special. Please don't worry if your children are still readjusting to being back to school. For some children the classroom, the increased noise and remembering how to play with friends again is a little overwhelming. They just need a lot of time and a lot of love and they will adjust.

Even though the children are back to school please remember that the lockdown rules still apply and that families should not be mixing in each other's houses yet. We have done so well during this pandemic not having to close any bubbles and it would be such a shame to have to do this now. Thank you for your continued support in keeping the school fully open.

With the return to school there has been an increase in the traffic at drop off and pick up times. I have already had phone calls from local residents regarding blocked driveways and reports of cars parked on the corners of the junctions in a dangerous and illegal way. Please allow time to park further away, walk to school and be mindful of our neighbours.

The next few weeks will be very busy around the outside of school as the perimeter fencing is being replaced. This does mean that there are more vehicles, a fenced area, a skip and a portaloos in the school car park. Although a little inconvenient and unsightly this will only be short term and the new fence is going to make a huge difference to the security and safety at school. Please ensure that your children remain with you at all times, particularly when lining up or exiting the school car park.

Thank you for your support with the children's World Book Day costumes yesterday. They all looked amazing and as always the staff embraced dressing up with excitement and enthusiasm! I have included some photos which will hopefully make you smile.

We would be really grateful of any unwanted school uniform (with the new school logo) as we have families asking to buy second hand items. Please drop any uniform into the school office. Thank you.

Unfortunately we are unable to invite you in for a Mother's Day assembly as we have done in previous years. However, please keep an eye on your child's Tapestry accounts for a special treat. I hope that you all have a really lovely weekend.
