

Little Badgers

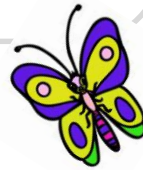

Autumn Term

As we begin the second half of this term we are amazed by how well the children have returned to nursery and how well they are coming in independently in the mornings! They are very settled and are independent in many aspects of the day. It is super to see new friendships blossoming and to see each child's real personality coming out!

Our Learning this term

So far this half term we have been finding out and talking about Autumn, Bonfire night, fireworks, Diwali, and Remembrance Day, when we did some lovely poppy printing and held two minutes silence to remember special people who have helped to keep us safe. Thank you for your donations for Remembrance Day.

We will be learning about light and dark, nocturnal animals and then of course Christmas during the remainder of this term.

If your child would like to bring any books, pictures, artefacts etc that link with our learning they are welcome to bring them in for us to look at and talk about.

A few reminders...

It would be very helpful if the children could wear velcro shoes to nursery as we teach them to put their shoes on and off independently. Thank you.

If you have not yet returned the yellow data form we would be grateful if you could return it as soon as possible please.

Please ensure that there is no peanut butter on any food in packed lunches as there are children with nut allergies in school.

Thank you.

Thank you for your patience and support with dropping off and picking up the children from nursery. The children have done remarkably well leaving you and coming in, and both ends of the day seem to be getting quicker!

We would like to thank you all for your continued support.
