

Little Badgers

We hope that you all had a lovely half term break. It has been super hearing the children tell us about the things that they did and the people they saw during the holiday. This week the children have really enjoyed seeing their friends again, which is so lovely to see.

We are finding out about seasonal vegetables and next week the children will be shopping at our vegetable market stall. We will be buying and weighing vegetables, doing some vegetable printing and later will make and eat our own vegetable soup! This week we have enjoyed finding out about Bonfire Night and Diwali and making some Rangoli patterns. Next week we will be learning about Remembrance Day, If you would like to make a donation there are some items available for purchase (see list below). Please send money in an envelope with your child's name on, the box will come to nursery and the children will be able to make their purchase. Thank you. On Monday we are having Magical Maths Day when we will be doing lots of exciting mathematical activities.

We hope that you will be able to come together at Little Badgers next week for a cup of tea or coffee to meet other parents. For the parents of Ladybirds this will be on Monday 8th November at 2.15 and for the parents of Butterflies it will be on Thursday 11th November at 2.15. Please come to the nursery gate, we will take the children to the hall for some activities and you will be able to chat together in the nursery. We will bring the children back through to you at home time. We look forward to seeing you there!
