

# Little Badgers

## Library visits for Little Badgers

We are going to start visiting the library so that the children can choose a book to borrow and share with you at home. Many of the children have book bags that you have already sent into nursery. If you have purchased one and it is at home please could you send it into nursery. If you would like your child to borrow a book from the library and you do not have a book bag they are available to purchase from Mrs Cable in the school office.

We will visit the library on Tuesdays for Ladybirds and on Fridays for Butterflies. There is a lovely range of books for the children to choose from and we will be teaching them about looking after books, showing them how to put them in and out of their book bags carefully and how to use the library. When the children have their books at home we would be grateful if the books can be kept in the book bags when not being used and away from pens, crayons, food etc! Thank you.

## Children in Need

Next week we will be supporting Children in Need and so the children may come to nursery in brightly coloured clothes and anything Children in Need/Pudsey that they like! We will be talking to the children about why we support Children in Need and about some children who need help and support. We would be grateful if you would send some money in for the children to donate. Thank you. Although Children in Need day is on Friday we will also be holding it on Tuesday for the children in Ladybirds.

## An important reminder...

If your child has a packed lunch please could you ensure that there is no peanut butter, Nutella, cereal bars or anything containing nuts or nut traces and that our Nut Free school policy is followed.

We would be grateful if you could help us too by:

Washing your child's hands and faces after their breakfast before they come to nursery

Ensuring that they do not come to nursery wearing any clothes with food spilt on

Cleaning their lunchboxes/lunchbags to ensure that there is no food on the outside

Ensuring that children do not eat any food in the nursery line

Thank you for your understanding and co-operation, we really want to ensure that we are doing everything we can to protect our nursery children who have allergies to nuts and a range of other foods, not only by ingestion but also by contact.

Thank you for your continued support.

## Upcoming Dates Children in Need Day

Tuesday 16<sup>th</sup> November for Ladybirds

Friday 19<sup>th</sup> November for Butterflies
