

Dear parents and carers,

I hope you are keeping well. As promised during the parent meet and greet session earlier this half-term, I am excited to provide you with some updates on our academy website and curriculum information meetings below.

### Website Updates

As part of our vision to be a first class, inclusive, collaborative and forward-thinking family of local academies, we are excited to provide you with more information on The Kite Curriculum, which you can now access through the Sandringham website by clicking on the 'Our Curriculum' tab. On the website, you will find an overall curriculum rationale, year group overviews and specific information about each curriculum subject. This includes short, easy-to-watch videos outlining the key aims and decisions behind curriculum coverage as well as how that subject is taught.

### Curriculum Information Meetings

At Sandringham Infant and Nursery Academy, we recognise the importance of providing all pupils with powerful knowledge, enabling them to become confident and caring local, national and global citizens with a responsibility to respect the world around them. We hope that the website updates provide you with an overview of what your child will be taught as well as provide you with a better understanding of how The Kite Curriculum has been designed in an inclusive way, with knowledge broken down and taught in small steps, so that all pupils will be successful.

However, we understand that you may still have questions about the curriculum and how it is implemented. Therefore, we are pleased to hold information sessions where we can provide you with more details as well as answer any questions you might have.

We appreciate that all parents and carers have different schedules and availability; with this in mind, we have scheduled three separate timeslots for you to be able to access the workshop at a time that is convenient for you. Each of the following meetings will be held virtually using a Microsoft Teams webinar. You can register and join any of the following sessions by clicking on the links provided for each.
