

Sandringham Infant and Nursery School

Remote Learning

Week Beginning: 06/12/21

Topic: Christmas

The activities below reflect what we would be learning about at this point in the year at school. Remember though - you don't have to do it all; you can adapt it however you like and most importantly have fun and send us pictures of what you do! We know everyone has different circumstances at home and you need to make the home learning work for your family.

Please upload what you can to Tapestry as we would love to see/comment on what you have been doing!

| DAY | DAILY ACTIVITIES |
|------------------|---|
| Monday | <p>Phonics: Explore the 'Tricky words' song to practise your keywords and then have a go at writing down the 'tricky words' on small pieces of paper or post it notes to create your own 'my turn, your turn' cards. Then have a go at playing 'my turn, your turn' with your family, can you take on the role of teacher? I, the, she, he, me, go, no and to.</p> <p>Maths: Go on a shape hunt around your house and see if you can create a group of objects that have 4 sides (e.g. a book, a piece of paper) and a group of objects that don't have 4 sides (e.g. a roll of cellotape, a cheese triangle!).</p> <p>Topic: Have a go at finger printing a repeating pattern in the shape of a candy cane (example below).</p> |
| Tuesday | <p>Phonics: Using your sound cards in your reading folder, practise your sounds (recapping the letter name and sound) and then watch Alphablocks to practise blending short words.</p> <p>Maths: Play 'Chopper Squad' to practise one more/one less. What is your top score?</p> <p>PE: Have a go at creating your own 'Reindeer Run'. Can you think of different ways to move around your garden or lounge? How many laps can you whilst skipping, hopping, jumping etc? Can you time yourself?</p> <p>Topic: Spiral craft - practise your cutting skills whilst creating a decoration for your home! Two templates have been attached below for you to choose from.</p> |
| Wednesday | <p>Phonics: Play 'Picnic on Pluto' to practise blending, can you spot the real words and the nonsense words?</p> <p>RE: Explore the PowerPoint found on the school website under 'Remote learning' -> 'Reception' and then have a go at colouring in the picture of the Christingle – can you remember what each part represents?</p> <p>Maths: Practice your number formation using the number rhymes.</p> <p>Singing: Practise singing our Christmas songs.</p> |
| Thursday | <p>Phonics: Have a go at reading these silly sentences (After, if you would like a challenge, ask a grown up to read the sentences out and have a go at writing them, don't forget 'finger spaces').</p> <p>1 – I went to bed. 2 – I am a cat. 3 – He did a hop.</p> <p>Maths: Practice your subitising skills by giving the ladybird spots!</p> <p>Reading: Have a go at reading 'Up you go'</p> <p>Topic: Can you create your own Christmas stocking? Cut a stocking shape out of a piece of paper, hole punch around the outside and thread through the holes.</p> |
| Friday | <p>Phonics: Play tricky word bingo - split a piece of paper into 4 and write 1 tricky word in each section. Ask an adult to call out all of the tricky words and when you hear a word</p> |

that you have written on your paper, cross it off. Once you have crossed off all 4 of your words shout 'BINGO!'. **I, the, she, he, me, go, no** and **to**
Maths: Go on a number hunt around your house, where can you find numbers? Are you able to find numbers 0-10? (you might find numbers on pages of books, tins of food, advent calendars?!).
