

Sandringham Infant and Nursery School

Remote Learning

Week Beginning: 29/11/21

Topic: The Story of Christmas

The activities below reflect what we would be learning about at this point in the year at school. Remember though - you don't have to do it all; you can adapt it however you like and most importantly have fun and send us pictures of what you do! We know everyone has different circumstances at home and you need to make the home learning work for your family.

Please upload what you can to Tapestry as we would love to see/comment on what you have been doing!
