RECEPTION - HEDGEHOGS AND MOLES

Week Beginning: 07/02/22

Topic Theme: Around the World

Below are some suggested activities for home learning that we hope will structure you and your child's day. Please remember this structure must be flexible and accommodate your child's needs and interests – feel free to adapt it however you like and most importantly have fun and send us pictures of what you do!

We know everyone has different circumstances at home and you need to make the home learning work for your family. Remember each day to allocate time to play, for reading, physical activity etc. Remember to also include an act of kindness; tidy your toys, help lay the table, help unload the dishwasher, read a story to a younger sibling etc.

Please upload what you can to Tapestry as we would love to see/comment on what you have been doing!
