

Sandringham Infant School and Little Badgers' Nursery Primary PE Sports Funding 2019-2020

The Primary PE Sports Premium is provided by the government in addition to main school funding. It is designed to improve the provision of PE and Sport for the benefit of all children at Sandringham School, so that they develop and maintain healthy, active lifestyles, and are equipped for lifelong participation in physical activity and sport. Sandringham School will receive £17,130 for the academic year 2019-2020.

We will evaluate the impact of the Sports Funding as part of our normal self-evaluation arrangements. We will look at how well we use the Funding to improve the quality and breadth of PE and Sporting provision, so that all pupils develop the knowledge, skills and motivation necessary for a healthy, active lifestyle.

Measuring the impact of the activities provided can be achieved in the following ways-

- Audit the numbers of pupils involved in out-of-school clubs, which promote healthy lifestyles
- Assess the progress in PE and Sport
- Monitor pupil participation, interest and standards in competitive sport
- Consider other areas of development including self-esteem, confidence and attitudes towards physical activity
- Consider pupil voice by through our 'Sports Council' and assess the standards of physical development during social times
- Assess the impact of professional development in improving the teaching and learning of PE and Sport

To improve our provision of PE across the whole school for the academic year 2019-2020, we plan to spend our Primary PE Sports Premium on the following:

Target Area	Approximate Cost	Expected Impact
Network Meetings PE lead to attend regular network meetings with other Early Years and KS1 schools in the Kite Academy and our learning partnership Active Surrey Membership KS1 Star Mark – next level	No cost £846 £72	To increase pupil participation in extra curricular activities – K12/K13/K14 Sharing of good practice among the Kite Academy and other local schools, shared opportunities for continual professional development (CPD) and increased participation in competitive sport will help to support this and raise the profile of PE and Sport across the school. Staff to keep up to date with local initiatives through the network training and bring county wide recognition through accreditation - KS1 Star Mark.
Staff Training Provide CPD for staff and keep up to date with developments and initiatives in PE and Sport across the country	£2400	To continue to raise standards of PE for all children – K11/K12/K13 Teaching staff to continue to develop their confidence, knowledge and skills to deliver and assess high quality PE lessons beyond the period of funding. Continue to develop a wider range of skills taught in PE. For staff to attend PE staff meetings to ensure a clear and consistent approach and structure for the teaching of PE that will have an impact beyond the funding. For staff to be up to date with local priorities.

Resources Bikes and Trikes to support Balanceability	£3812	To raise the standards of physical development during social times – KI1/KI4 New bikes for all ages and abilities purchased will support the increased demand for wheelie toy play and allow the Balanceability scheme to be delivered across the school. The redevelopment of the bank along with the removal of the Nursery fixed play equipment will increase the floor space in the EYFS Outdoor Area. It will provide the children with increased daily opportunities to develop their gross motor skills, through a designated wheelie toy track, obstacle course area and sensory walk.
Physical Development Redevelopment of Early Years Outdoor Areas – Redevelopment of bank Retaining wall built Removal of Nursery play equipment – area redeveloped for wheelie toys, trikes Sensory walk built	£10,000	
Healthy Lifestyles Inter school competitions across the Kite Academy Schools and local school network including resources	No cost	To increase pupil participation in sports and healthy lifestyles – KI1/KI2/KI4/KI5 For KS1 children to have the opportunity to enter multi-skills festivals within Surrey Heath. The children will be motivated to continue with their participation on sport taking with them a range of fundamental skills. Opportunities for all children to attend after school clubs which promote healthy lifestyles and offer a broader experience of a range of sport and activities for e.g. Football, Cheerleading and Multi-skills. For children to transfer fundamental skills learned during PE lessons and workshops, and apply during social times on the playground.

Total £17,130
