

# Year 1 Newsletter

## Spring 2—2025/2026

### Notices and Reminders

We are very excited about our spring play. Children with speaking parts will be bringing these lines home. Please support your child in practising these at home.

PE days remain the same (Squirrels on Thursdays and Owls on Fridays).

We will also continue to change reading books and library books on Fridays.

### Phonics

The children are learning alternative spellings for previously taught sounds:

/u/ <o> (brother), /j/ <g> (gem), /j/ <ge> (fringe), /j/ <dge> (bridge), /s/ <st> (listen), /s/ <ce> (fence), /s/ <se> (house), /n/ <gn> (sign), /n/ <kn> (knee), /r/ <wr> (wrap), /m/ <mb> (lamb), /z/ <se> (cheese), /z/ <se> (freeze), /ear/ <eer> (cheer), /ear/ <ere> (here), /sh/ <ti> (patient), /sh/ <ti> -tion (station), /ar/ <al> (half), /or/ <augh> (caught), /sh/ <ss> (session), /zh/ <si> (vision), /sh/ <ti> -tious (scrumptious), /sh/ <ci> (delicious), -ous, -ion, -ian.

### Writing

This half term in writing, the children will be learning some stories by heart following the talk for writing approach. They will have the opportunity to create their own simple text maps before writing their own versions of each text. The texts the children will learn are:

- The Night Pirates
- How to make magic porridge

### Key dates

#### March

**Friday 6<sup>th</sup>** World Book Day (details to follow)

**Friday 13<sup>th</sup>** Mother's Day (details to follow)

**Monday 16<sup>th</sup> - 22<sup>nd</sup>**

Down Syndrome Awareness Week

**Thursday 19<sup>th</sup>** Year 1 dress rehearsal at the church (details to follow)

**Thursday 19<sup>th</sup>** Spring Disco PTA event

**Monday 23<sup>rd</sup> at 2pm** Year 1 performance pm (details to follow)

**Tuesday 24<sup>th</sup> at 9.15am** Year 1 performance am (details to follow)

**Thursday 26<sup>th</sup>** Bunny Hop (details to follow)

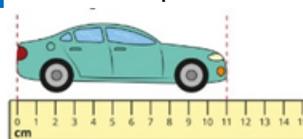

**Friday 27<sup>th</sup>**

LAST DAY OF TERM Pick up 1.30pm

### Maths

This half term in maths the children will be learning about place value with numbers up to 50. The children will then develop their understanding of how to measure the length, height, mass and volume of objects.

They will continue to use a variety of resources to support their understanding of these concepts.

## Science

The children will continue to learn about different groups of animals including amphibians and will recall previous information that they have learnt about mammals, birds, reptiles and fish.

The children will learn about the importance of looking after the Earth and will know what the terms pollution and littering mean.

## History

The children will continue to look at the big question - How did Rosa Parks help change society? They will discuss key historical events such as the Montgomery Bus Boycott and the Bristol Bus Boycott, exploring the topics of 'segregation' and 'prejudice'. They will look at plotting these events on a timeline.

## RE

The children will learn about Christian beliefs about Jesus' birth, including that he is the Son of God and was born in a manger. The children will explore Jesus as a storyteller through parables such as The Lost Sheep and The Good Samaritan and learn that the Bible is the Christian sacred text. They will also learn about Jesus as a miracle-worker and Christian beliefs about Easter and the resurrection.

## PE

In PE, the children will be focusing on multi-skills. The children will start by learning how to roll a ball towards a target. They will then be introduced to rackets and will practise balancing and bouncing a tennis ball on a racket. Finally, the children will learn how to strike a moving ball.

## Computing

This half term in computing the children will be learning how to create a digital self-portrait. They will learn what a digital image is, how to open a program and how computers produce digital images. The children will learn how to use an iPad to create art by using specific buttons and tools. They will then create their own digital image using shapes, lines and colour fill selecting a range of colours.

## PSHE

This half term the children will learn to answer the question 'What can we do with money?' They will consider the differences between wants and needs and will be able to identify them. The children will learn what money is and how we gain it. They will then learn what we can do with money and that you have a choice on what to do with it.

## Homework

Please continue to read 3-4 times a week with your child using the reading book that is sent home. Please continue to practise sounds and harder to read and spell words too.

## Suggested books for reading
