Dear Parents/Guardians

I am one of the members of the Neighbourhood team and I am writing this letter to inform you that Surrey Police have received reports about parking outside of the school. I am aware that this is an ongoing issue and that there have been problems in the past.

I appreciate that there is limited parking around the school however this is no justification for parking inconsiderately. From previous reports this includes blocking driveways, blocking junctions and not leaving enough room on pavements for pedestrians to walk past.

I would therefore like to encourage you when taking and collecting children from the school to park sensibly and considerately. My colleagues and I undertake patrols around the area and will be taking action against any vehicles deemed to be causing unnecessary obstruction.

If you do have any questions then please feel free to contact me by email on [SurreyHeath@surrey.pnn.police.uk](mailto:SurreyHeath@surrey.pnn.police.uk) or to report any incidents at the time please call the non-emergency number 101.

I thank you for your co-operation with this matter.

Yours Sincerely

Surrey Heath Safer Neighbourhood Team
