Dear Reception families,

We have had an exciting year recording your child's learning and achievements on our Tapestry online system. This year more than ever, the journals have been filled with our home-school partnership and throughout the period of school closure, we were delighted to be able to upload videos and comments to support and encourage your child's learning at home. Thank you to you all also for your comments, observations and contributions to ensure your child's learning journey continued whilst we were away from school.

As your child has now finished their Reception year, we kindly ask that you no longer add anything to Tapestry. We will be archiving your child's journal this week in preparation for our new intake in September. From 14th to 21st July please could all parents follow the instructions overleaf with details of how your child's journal can be downloaded from Tapestry and kept for you to treasure.

Please note: home downloads must take place between Wednesday 14th July and Wednesday 21st July before we remove them from the system altogether on Thursday 22nd July.

If you have any questions regarding this download process, please email your child's Reception teacher or alternatively, the school office.

Kind Regards

Miss Randles and Miss Hardy-Trodd
