

Thursday 17th June 2021

Dear new Reception families,

Following the guidance updates this week, I am writing to confirm the transition arrangements for this term and for your child starting school dates in September. Obviously the situation in Surrey Heath and across the country, is currently under close review so I am sure you will appreciate that any of the following dates may need to be changed or altered in line with Government guidance at the time.

Tuesday 22nd June - Parent Induction Information Evening

Hopefully you will have already signed up to the 5-6pm or 6.30-7.30pm slot for this date. Due to guidance, unfortunately we have to limit this to only one parent per family. This meeting will be held outside and is an opportunity for you to meet the staff and find out more about our lovely school. We will also offer you the opportunity to see the Reception learning area and the school playground. Please bring a mask, a pen and do not attend if you or anyone in your family has any symptoms related to covid.

Friday 25th June - Stay and Play Visit

This week's guidance dictates that our stay and play visit groups need to be smaller than originally planned. The children will now be split into 4 groups for a shorter session. Once again this visit invites only one parent to join their child and the session will take place outside. This is an opportunity for staff and children to meet each other. We have attempted to group children from the same pre-schools/nurseries and resources will be thoroughly cleaned between each session.

Your child will be in GROUP 1 for their visit. This takes place between 9-9.30am.

Wednesday 30th June and Friday 9th July - Induction Sessions

Both of these induction sessions have been postponed until September. Headteachers across Surrey Heath have met this week and have decided that transition days involving moving and mixing groups of children between settings is not feasible.

Contact with Early Years Settings

Reception staff are currently making contact with your child's pre-school, nursery or childminder via phone call. This is to find out a little more about your child and who they like to play with at their current setting.

As detailed above, your child has been put into one of four groups based upon their nursery settings. The children will remain in these groups for the first week of starting school in September. We will confirm if your child will be in Hedgehogs or Moles class via an email on Friday 10th September.

Please see below details of your child's exciting first steps into school.
