

## Phonics Planning

The whole week is based around the 'or' family – or, au, aw.

There are different video clips to watch, some are interactive, websites to visit, activities to do. You can access Simply Phonics, BBC bitesize, Alphablocks, Mr Thorne, Phonics Play - all of the links are below.

Practice reading some real and nonsense words from the lists we sent home or find any words in their books with this sound. Can they think of their own?

Put the words in a real or nonsense sentence. (Say the words out loud or write them down).

Put together a rhyming string – for, more, sore, law, score (real or nonsense words).

Tricky Words: There are also 'Tricky Word' songs to sing along to. Again, the links are below. These are the words that the children need to know by sight and are difficult to sound out.

Do as much as is suitable for your child and you might want to dip in and out of some or all of this.

### Common Exception Words

We would expect that the children will be able to read off of the Common Exception Words by the end of the year. Practise reading these.
